

# Sahuarita Christian Academy E-Newsletter

2007 December

Dear David,

All of us here at SCA hope that you had a Merry Christmas and we pray that God will bless you and your family in 2008.

God was at work in 2007 at Sahuarita Christian Academy and I invite you to stop by and see first hand how He is changing the lives of children and young people attending SCA.

## News

### Flag Flies Over SCA

2007 was a busy year as SCA completed construction on its initial building. On August 20th SCA opened its new campus to 28 students attending grades K-12. On January 7th SCA will begin its 2nd semester with approximately 50 students. Since the opening 22 decisions have been made to accept Jesus into their hearts

(praise God). We are all excited to see what God will do in 2008.

It is wonderful to have a school where we can open and close each day with prayer, the ten commandments are posted on the walls, where every school day we can say the pledge of allegiance ("one nation under God") and all of our curriculum is taught on the basis of "truth" according to the Holy Bible.

## Events

### New Building for 2008

SOWERS teams started arriving again at SCA in October. Since that time many projects have been completed such as; a new donated flag pole was installed, perimeter fencing is being installed, a block and rod iron front entrance wall is almost completed,

a 12x20 tool workshop building has been built, etc.

As 2008 approaches we will be receiving twice as many SOWERS teams than previously, due to the fact that SCA has been given a seed gift to get us started on building a 17,000 sq. ft., 16 classroom, 300+ student building.

The SOWERS and other volunteers will be constructing this new building. We invite you to partner with SCA on this project in any way that God would put on your heart to do so.

Sahuarita Christian Academy is an independent non-denominational K-12 private Christian school nonprofit (IRS recognized) Arizona corporation. SCA offers quality Christian training along with a solid academic foundation in the basic

## Students Need Scholarships

I would like to share with you part of an e-mail that I received from a local high school girl *"Every time I go to school there is a problem and they (girls who beat her up) have already told me that they are not going to leave me alone. And the reason why I am telling you all of this is that I want to go to Sahuarita Christian Academy and my parents do not have money to send me there and I want to know if you can help me, if you help me I can do things like helping at the school."*

Students attend SCA for many different reasons. Some of these reasons are a rigorous academic program, character training, safe environment, small class sizes, family values and ideals.

SCA needs people who can help provide tuition scholarships. If you are an Arizona resident, you are uniquely qualified to help kids and young people attend SCA.

It has been so rewarding in being able to provide a Christian educational alternative to the high school girl in the email above as well as many parents who also desire a different school experience for their children.

Please consider transferring part of your State of Arizona 2007 income taxes (a dollar for dollar transfer/credit) today via the Gift Certificate Scholarship included in this E-Newsletter.

On behalf of these kids and their families we thank you.

fundamentals of learning. Academic and spiritual standards are high with added emphasis on patriotism and character training.

It has been wonderful to see God at work as He is the one who has made the idea of SCA into a reality (Matthew 19:26; ...with God all things are possible.).

We also thank you for your partnership with SCA, through your prayers, volunteering, scholarships and/or support. If you know of someone who might be interested in sending their children, helping or learning more about SCA please forward our E-Newsletter to them.

**Blessings for the New Year,**

David Lyon, Director/Principal
