SCA Will Begin Accepting Students in August 2005

Monday night, May 25th 2005, a special presentation was made regarding the "new" ministry of **Sahuarita Christian Academy "SCA"** to both members and guests of Iglesia Bautista de Sahuarita (an independent, fundamental, bible teaching Church) which is located in Sahuarita, Arizona (just 15 minutes South of Tucson Arizona and 30 minutes North of Nogales Arizona/Mexico). By God's grace, we are starting this ministry. I will be the Principal of SCA and Lupita will be a class room facilitator, but we will also serve in many different areas of SCA as is needed.

SCA's ministry will largely need to be supported by outside ministry fund partners as SCA will be offering a Christian education to it's students for less than \$100 per month. SCA's purposes are as follows:

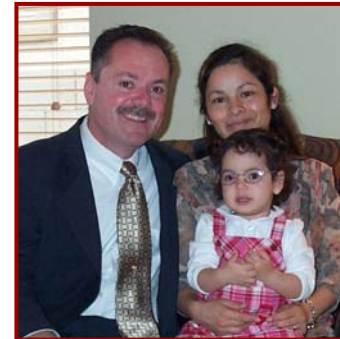

To train children and young people in the Bible, Christian character, language and traditional subject matter from the biblical perspective.

SCA will strive to give it's students a firm biblical foundation from which they can make proper decisions both now and in the future.

SCA desires to create an environment in which it's students will be encouraged to freely share the Gospel of Jesus Christ (John 3:16) with others.

All of SCA's certified curriculum, DVD teachers and books will be purchased through A Beka Academy, an affiliated ministry of Pensacola Bible College.

Mark 16:15 — The Great Commission as Given by Jesus Christ

Gabriel accepted Jesus Christ as his personal Savior

It all began when Gabriel's oldest brother, Jose, was invited and then attended a Friday night youth service at Iglesia Bautista de Sahuarita. The very next day, Saturday morning, the youth leader, Jesus de Santiago and I went to visit Jose. After about an hour, Jose accepted Jesus Christ as his personal savior.

A week later, on a Thursday night, I was out on visitation with Pastor Oscar Galvan and another brother in Christ, Pedro Vargas. Some of the families that we had planned to visit were unavailable. As we were making our way back to the Church, Pastor Oscar suggested that we stop by and visit Jose and his family.

We met Jose's father, Gabriel Sr., outside their trailer. He invited us to come into their home. Jose's mother, Adelina, told us that they had recently moved from Nogales Mexico and that they were Roman Catholic just like their parents and grand parents.

However, Pastor Oscar continued to show them the scriptures in the Bible (Reina Valera / Spanish) (John 3:16, Revelations 3:20, John 14:6 and others). After, about an hour, the father, mother and 10 year old Gabriel Jr. all prayed to accept Jesus into their hearts.

Then after a couple of more weekly visits, one Saturday morning, Lupita, Sofia and I stopped by. We met another family member, Javier (a cousin) who had just recently arrived from Mexico. After about an hour, Javier made a decision to accept Jesus Christ as his Lord and Savior.

Praise, Honor and Glory to God that a complete family came to Christ!
